2020 Rules Updates

- Running clock when the goal differential is 12 or more goals the game shall have a running game clock.
 - The clock will only stop for timeouts (official, team, injury timeouts).
 - Time serving penalties (Sr. & Select) will be running time and stop for the same reasons as above.

- *This is in USL rules but has not been followed in the past.

2020 Rules Updates

- Legal Checking with Crosse – USL rules state:

*In all cases, stick checks must be made with **two hands** on the crosse and to the crosse of an opponent or his gloved hand on his crosse. An opponent must be in possession of the ball or within 3 yards of a loose ball. Only checks with the crosse listed below are legal:*

- (a) Lift the bottom hand or the head of the stick, whichever is below the chest area.*
- (b) Poke the bottom hand or the head of the stick, whichever is below the chest area.*
- (c) **Downward check initiated from below both players' shoulders***

- One handed checks will always be called even if contact is not made.

Reminders

- COYLL Rules “Cheat Sheet” should be available at every field.
- Youth Officials
 - Only head coaches should be communicating with officials.
